

Ready for Winter

Amir is new to Canada.
It is winter.

Amir is warm.
He has fun in winter!

Now Amir is ready for the weather.

Amir is not happy.
He is cold every day.

Amir asks his friend.
“What should I wear?”

Amir goes shopping.
He buys boots and a
winter coat.

He gives Amir a scarf.

“You need boots.
You need a warm
winter coat.”

“You should wear
gloves and a toque.”

“You should wear
a sweater .”
